

SECRET

7 January 1981

MEMORANDUM FOR: [REDACTED]
FROM : [REDACTED]
SUBJECT : Request for Information

25X1

1. Pursuant to the task Bill Casey gave us to look into the analytical/estimative process here, could you provide us immediately the following:

a. Examples of the raw intelligence (photo, signal, DDO) which alerted the Intelligence Community to the Soviet Brigade in Cuba. Could you also include selected examples of the sets of intelligence which were gathered as a result of the suspicions that there was a Soviet Brigade in Cuba.

b. Several recent copies of the President's Daily Brief (PDB).

c. Several examples of finished intelligence products prepared for the White House based on their special or immediate requests.

d. Several copies of the bi-monthly Soviet report which is prepared personally for Dr. Brzezinski.

e. The Order of Battle Assessment on [REDACTED] forces which the Soviets moved into Poland during the early stages of the recent crisis.

25X1

f. A list of the SNIE's, NIE's or IIM's done on Mexican political or economic matters since 1972.

2. Could we have this information by opening of business on 8 January, if not sooner.
